Ext. Cir: 0004/MESIS/PR/2026-27

Dated: April 02, 2026

CIRCULAR

SUB: GRIEVANCES PORTAL

Greetings, dear parents!

The first step in guaranteeing an upward curve for each learner around the campus is parental involvement in education.

In compliance with that, the school provides you with an exclusive Email ID for inquiries and grievances that you may have regarding the general welfare of your ward within the premises of the school. The students' safety, behaviour, discipline, grooming, academics, co-curricular activities, and anything related to mentioned issues are all taken the utmost care. As such, the parents are advised to direct all of their issues through the Email ID given below, where our body of representatives in charge of the matter will thoroughly investigate and address each one.

In order to encourage and build effective and positive parental involvement in school-level education, it will be more appreciated, if serious concerns are addressed to the below mentioned Email ID.

Address of the grievances portal / E-mail ID:
